'Moses' the Lorry arrived in Moldova !

The lorry named 'Moses' that had been arranged to take Educational Aid to Moldova has arrived safely in the village of Burlacu.

This lorry contained lots of furniture and equipment for both the main school and the kindergarten.

Money raised on our non-uniform day had purchased a laminator and laminating paper, art and craft supplies and some sports equipment.

Mrs Smith has received an email this week, passing on the thanks from the two schools. They were overwhelmed with the gifts given by the school and by many of you.

We had so many donations that a third lorry will be planned in 2009 to take all the items that we were unable to fit on the lorry this time.

Christmas Shoe boxes

Last Christmas we asked for your support in filling a decorated shoe box for a child in Moldova. This year we are proposing to repeat this successful Christmas Appeal by asking that families fill one shoe box for a **family** in Moldova. Items that you could include are printed on the reverse of this letter. Once your box is full, please wrap in Christmas paper and bring into school from DEecember 2nd until December 15th. The boxes will be stored and sent to Moldova on the next lorry. It is hoped that Mrs Smith will be able to distribute the boxes during her return visit to Moldova in April.
