Mrs James and Mrs Smith off to Moldova !

Mrs James and Mrs Smith are finalising all of their plans to visit the schools in Moldova from March 31st until April 8th.

They have been planning this visit since November and are very excited about working in the Kindergarten and the Main School in Burlacu.

The children in Year 1 and Year 2 have each written a letter to a child at the school and have had fun learning how to write a little bit of Romanian. This is the main language spoken in Moldova. Mrs James and Mrs Smith will be taking these letters along with a book

of photographs made by the School Council with them.

Whilst in Moldova they will be teaching some English and encouraging the children to write a reply to the children at Crosshall.

It is also planned that a live link between the two schools will be established during the visit so that children at Crosshall can speak to the children in Burlacu.

During their time in Moldova Mrs James and Mrs Smith will be carrying out training with the teachers at both schools.

Christmas Shoeboxes

A great big thank you to all the families who donated shoe boxes for this year's Christmas Appeal. A few will be taken over this March the remainder being sent by lorry later this year.

We had so many donations that a third lorry will be planned in September 2009 to take all the items that we were unable to fit on the lorry last time.

We will have a good idea of how we can best help next after Mrs James and Mrs Smith return.
